Background

Kirsty gained national recognition when she was named as UK Automatic Enrolment Planner of the Year Runner up by the Financial Times' specialist publication, Money Management.

Advice Areas

Kirsty provides advice in all aspects of financial planning including life insurance, pension and investment solutions, specialising in corporate pension schemes.

Interests

Kirsty enjoys spending time with her young family, which often includes days out in the beautiful North Wales countryside. She also enjoys keeping fit at the gym and socialising with friends.

My Favourite Part of the Job

The most satisfying part of my job is being told that I've helped someone understand a very complex subject and then beginning a new professional relationship from that point. I enjoy annual reviews with my clients and ensuring their financial plan is on track.

Fun Fact

When Kirsty was 16 and on a Japanese exchange trip through school, she appeared on a Japanese cookery show on national television - the Japanese equivalent to Jamie Oliver!
